

## Scott Foresman Knowzone School Accounts

School Contact Person: \_\_\_\_\_

School Certification Number: \_\_\_\_\_

The school contact person will log on at the Knowzone link off the Scott Foresman website <http://www.scottforesman.com/>

For the first time only, the school contact person will log on using the above school certification number to establish a KZ name and password. The school contact person will then create a section establishing each classroom teacher's name and password.

The school contact person should read the tutorial at the Scott Foresman site.
