

**Purpose for Reading:** Retell the story. Put in sequential order.

**Writing Lesson:** As teacher writes on strips, students spell words, check for proper punctuation, capitalization, complete thoughts etc.

**Before Reading**

Teacher discusses purpose. Students are aware, even before discussion. Also, it is great for students coming in late.

Assistant knows what is going on as soon as she enters the classroom.

**During Reading**

Teacher and assistant work with small groups while students read in pairs or individually at desk on reading with a purpose.

**Other Purposes for Reading used with the chart.**

**After Reading Result**
