

Piedmont Elementary Library Newsletter

May 18, 2007

Volume 1, Number 6

Thanks Piedmont for Another Great Year!

Piedmont Elementary School has finished another great school year and students are looking forward to a few weeks off for summer. The library had an unprecedented good year in 2006-07. The bookfairs raised about \$3,000 for new books, supplies, and a new library cart. The county board of education provided \$2,400 for new library books and materials that was greatly needed. The library purchased up-to-date state and country books for elementary reading levels as well as the Accelerated Reading Tests for these books.

As we finish the school year, students please remember to return your library books or pay for lost books. Mrs. Russell is back and is busy cleaning the books and doing inventory. Remember to check out the local public library's summer reading program and do some reading for fun this summer!

Rompin' Stompin' Reading Roundup Tennessee Summer Reading Program 2007

Students, go by Dandridge Library to sign up for the Tennessee Summer Reading Program anytime between May 30 and July 11 and join the thousands of children in Tennessee who will be reading for the summer.

Parents Corner

Read daily with your child.

Experience and explore print together.

Ask questions and listen carefully.

Discuss—keep conversations going.
